

ANOTHER FRANKFORT BOY HEARD FROM.

The following clipping tells its story of another Frankfort boy's success:

"2d Lieut. W. A. Hayercraft, 44th infantry, U. S. Vol., has been appointed Captain of the Port and Inspector of Customs at Ormoc, Isle of Lyte, vice 1st Lieut. Richard W. Buchannon, 44th Infantry, U. S. Vol., to whom he will receipt for all funds, property and records."

DeWitt's Witch Hazel Salve will promptly heal the worst burns and scalds and not leave a scar. It can be applied to cuts and raw surfaces with prompt and soothing effect. Use it for piles and skin diseases. Beware of worthless counterfeits. South & Longmoor, W. McKee Hardie.

Don't forget the grand free concert and bargain festival Saturday night at Langdon-Creasey Co. 11-1t.

PATHETIC.

We desire to tender the sympathy of every body in this community to Rev. Dr. W. C. Taylor, late pastor of the First Baptist Church, in this city (but now of Indianapolis, Ind.), in the deep affliction that has fallen upon him in the serious illness of his wife. She has been compelled to go to Colorado to remain, as the only hope of life.

A POWDER MILL EXPLOSION

Removes everything in sight; so do drastic mineral pills, but both are mighty dangerous. Don't dynamite the delicate machinery of your body with calomel, croton oil or aloes pills when Dr. King's New Life Pills, which are gentle as a summer breeze, do the work perfectly. Cures headache, constipation. Only 25 cents at J. W. Gayle's drug store.

CURIOUS CENSUS FACTS.

Among the curious facts disclosed by the census returns are that the following counties show a smaller population than they had in 1890: Anderson, Boone, Bracken, Franklin, Hancock, Mason, Mercer, Owen, Pendleton, Powell and Warren.

Much to the surprise of every one here the little city of Versailles shows a loss of 698.

After exposure or when you feel a cold coming on, take a dose of Foley's Honey and Tar. It never fails to cure, and will prevent pneumonia or consumption. Don't accept substitutes. Nothing so good. South & Longmoor, W. McKee Hardie.

THANKS.

There are some of our subscribers who appreciate our efforts to publish a clean and straight-forward paper. We received the following on Friday from one of them:

"St. Louis, Mo., Nov. 15, 1900.
"Dear Mr. Lewis:—Will you kindly change the address of my Roundabout. * * * I have been away from Frankfort about ten years, and have found the Roundabout the best medium for keeping me informed of affairs at my old home.

I would not be without it for any price. Hoping you are all well, I am
Yours sincerely,
" * * *

We thank our friend for his kindly words.

A GREAT MEDICINE.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Phipps, of Poteau, Ark. "It cured me of bloody flux. I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale by J. W. Gayle, druggist.

MARRIED 40 YEARS.

On Tuesday last Mr. Jas. T. Duval and wife, of Pea Ridge, celebrated the fortieth anniversary of their marriage. His wife was Miss Kate Gwin, daughter of the late and honored Geo. W. Gwin, of this city.

We wish them many happy returns of their anniversary.

INTERESTING DIARY.

Our readers are referred to the interesting diary of Judge Lyander Hord, which may be found on our first page, and which will be continued in each issue of this paper until complete. It is an account of the good work done by that splendid gentleman in behalf of Kentucky's greatest improvement—the locking and damming of the Kentucky river. But for the hard work done by Judge Hord and others, and the interest awakened in that matter in the minds of Congressman Al. Berry, this work, now so rapidly drawing to completion, would not have been undertaken.

It may not be in appropriate to again call attention to the fact that, all during the drouth just closed there was a plenty of water in our river to enable steamboats to run, even when the smallest of them had difficulty in getting over the shallows in the Ohio river.

When the locks and dams are completed to Beattyville, we will be able to have coal and lumber shipped here all the year round.

It is well to know that DeWitt's Witch Hazel Salve will heal a burn and stop the pain at once. It will cure eczema and skin diseases and ugly wounds and sores. It is a certain cure for piles. Counterfeits may be offered you. See that you get the original DeWitt's Witch Hazel Salve. South & Longmoor, W. McKee Hardie.

OBITUARY.

Died, at his home, near Bridgeport, James Daniel Riner, after a brief illness of only four weeks. He was born on the 20th of March, 1872. Died on the 11th of October, 1900. He bore his last sickness with patience and Christian fortitude. He was a deacon of the Graefenberg Christian Church, and had lived a consistent Christian life for fifteen years. Having fought life's battles well, he was ready to be offered up and to receive the crown of life that awaits the coming of the righteous.

"We loved him, yes we loved him, But angels loved him more. And they have sweetly called him, To yonder's shining shore. The golden gates were opened, A gentle voice said 'come!' And with farewells unspoken, He calmly entered home."

After the funeral services, which were conducted by Rev. H. M. Polsgrove, assisted by the pastor, Rev. J. F. Mahoney, the remains were laid to rest in the family burying ground at his parents' home.

He married Miss Bessie Crask, of Shelby county, in 1894, and to this union were born two children. He leaves them to mourn his death. He was full of joy and sunshine. He loved his home and sought to make it an ideal place for his family and friends.

He has gone to rest. His home, his friends, his church have sustained a loss in his death that will be greatly felt. Yet they sorrow not as those who have no hope. To the God of all grace and comfort we commit and commend all the sorrowing friends and relatives and the grief-stricken wife and little orphan children.

"Green be the turf above thee, Friend of my better days, None knew thee but to love thee, None named thee but to praise."
G. D. H.

GERMAN BENEVOLENT SOCIETY BANQUET.

The German Benevolent Society gave a grand banquet and ball at the Y. M. I. Hall on Monday night. It was in honor of the tenth anniversary of the organization and was highly enjoyed by all present.

Torturing skin eruptions, burns and sores are soothed at once by applying DeWitt's Witch Hazel Salve, the best known cure for piles. Beware of worthless counterfeits. South & Longmoor, W. McKee Hardie.

J. W. Bryan, of Lowder, Ill., writes: "My little boy was very low with pneumonia. Unknown to the doctor we gave him Foley's Honey and Tar. The result was magical and puzzled the doctor, as it immediately stopped the racking cough and he quickly recovered." South & Longmoor, W. McKee Hardie.

that throbs, pains and aches, or feels heavy, stuffy, dull or dizzy, is a poor head to do business with. It irritates the temper, upsets the stomach, interferes with digestion and wears out the brain and nerves. Make the nerves strong, the brain clear and your head will be right.

A WELCOME GUEST.

A little foreigner of very tender age reached Shelbyville Monday morning, and while unknown to most people here, his friends abroad, especially in Scotland, are numerous enough to have paid for several cablegrams announcing his safe arrival. He is Master Robert Boyd Robertson, the first and eldest son of Mr. and Mrs. Robert Boyd Robertson, of Ardrossan, Scotland. Mrs. Robertson is a daughter of the late Major H. T. Stanton, of Frankfort, and is a sister of Mrs. George L. Willis, with whom she and Mr. Robertson have been stopping since last winter's Scotch climate drove her back to America.—The Shelbyville Record.

HIS LIFE WAS SAVED.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected soon to die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it and now I am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at J. W. Gayle's Drug Store. Every bottle guaranteed.
